## PRESIDENT'S MESSAGE

Greetings Everyone,  
Was nice to get a few drops of rain this past weekend, just enough to water the lawn, at this point in time anything is better than nothing! Looks like we will be returning to possible record heat the remainder of this week so the showers were definitely short lived. Glad to see that many of the companies

making detailing products now offer waterless car wash giving us another option for keeping our cars clean during drought conditions.

Event planning for our Devils Slide event on Saturday April 18th are coming together nicely. Our start point will be in San Mateo at 9:30 AM at the very same spot where we formed GGG way back on October 6th, 1996. We will depart at approximately 9:45 heading West on Hwy 92 to Half Moon Bay then North on Hwy 1 stopping for breakfast/lunch or brunch at Flavor Restaurant located in the Princeton-By-The-Sea Harbor. You can check them out at [www.flavoronthecoast.com](http://www.flavoronthecoast.com) Plenty of parking available at that time of day. After brunch we continue north once again on Hwy 1 going through the Devils Slide tunnel and up into San Francisco. We will cruise through the Presidio with Lands End and Fort Point being possible stops along the way. I say possible because if these locations are very congested parking could be an issue and we may need to continue on. I do promise that the cruise route will be a blast, offering great views and endless photo opportunities along the way. Our ending point will be the Beach Chalet on Ocean Beach (2:30 approximate) where we can have a snack and/or adult beverage if you like or you can

head home. Beach Chalet will likely be crowded and seating/parking will be whatever is available. We are having this event earlier in the year for 2015 as there will be less congestion; however as we all know these places are all very popular so please plan accordingly. NorCal Chevilles will be joining us with what I am told will be an **excellent turnout**. Let's step it up GGG and have a good turnout as well! Cruise routes will be passed out at our meeting location. RAIN OR SHINE EVENT, **all vehicles welcome**. Your RSVP is required by 4/11 (earlier if possible) to [mitygto@aol.com](mailto:mitygto@aol.com) See event flyer in THIS newsletter.

Our next meeting is coming up on Thursday April 2nd, once again at The Englander in San Leandro. 6:30 for meet/greet/eat with the meeting starting promptly at 7:30. We will have a guest speaker, Jerry Gamez who will be talking to us about a show in San Leandro this July, their feature car will be the GTO, he would love to have 10 or so GGG cars attend. Hope to see you there!

Until then, see ya in the fast lane!

**Prez John**

Go down the hill a couple of blocks past Borel School turning RIGHT on Maple. The show weekend has moved a bit to May 1 and 2 this year which we hope works well for your calendar. The Hotel is a very short drive to a 16 screen movie theater, several great restaurants, an indoor go-cart track and other amenities including famous Old Town Clovis for all of you Antique and Collectible hunters! Room rates are \$102 per night at the Homewood Inn and \$99 per night at the adjacent Hampton Inn. The Homewood has set up a website for room reservations dialed in specifically for our show. ### Show Classes

To ensure that trophies for this show are awarded in the fairest way possible, Independent judges (not from the host club) are assigned to review and score entries in each class. Please review the classes shown below and select the best one for your car. Contact Sam Fisher (contact information on Page 3) if you have any questions about your car and how it may fit into a class)

### Stock Classes

Vehicle may not have any modifications listed under the definition of the Modified Classes. Vehicle should have a stock appearance. No more than 3 of the following changes will be allowed in the stock class: Non-stock appearing intake/carburetor, exhaust manifolds, headers, wheels/tires (within appropriate size range and style to be age appropriate and to be consistent with a stock appearance\*), ignition, radiator, AC compressor, auxiliary gauges, battery cables and other items considered as minor. If more than three changes are detected during judging, the score for the vehicle may be adjusted. In addition to these items, paint will not have to necessarily match an OEM color but should be done in a manner that does not distract from the stock appearance. If two or more vehicles are considered tied during judging, the most stock appearing vehicle will prevail. Vehicles entered in Class Q (Unrestored/Survivor) may not have more than one exterior panel re-painted; one seat cushion replaced, minor engine work, etc.
